

Y.E.S. Youth Encouraging Sustainability Project

Field Camps 2010

The Science Council Manitoba (Y.E.S.) will hold Field Camps in 2010 as outlined in the accompanying table. The Field Camps involve activities for acquiring skills/techniques to carry out field research and to collect/summarize data on a specific topic with connections to sustainability issues.

Who Should Participate: Teacher/Student Teams:

Teachers are encouraged to bring whole classes (40 students max). Small teacher/student teams may also register.

Fee/Registration:

The fee is \$20 per individual for the two days for all Field Camps. **The fee and registration form must be received together TWO WEEKS in advance of the date of the Field Camp.** Field camps have a maximum quota, register early (First come, first serve). Confirmation will only be sent when the fee is received.

Teachers must obtain waivers from parents of students and keep these on file. The Science Council Manitoba reserves the right to cancel any Field Camp due to unforeseen circumstances.

In which case, all registration fees will be reimbursed. Cancellations, by teachers, will be reimbursed 50% of the original fee.

Please Mail Fee & Registration Form to:

Dr. H. A. Robinson
 Science Council Manitoba
 c/o W.A.E.C.
 310 Vaughan St. Wpg, MB R3B 2N8
 Phone: 947-1674 (w), 284-5024 (h) Fax: 956-5049

Transportation:

All teachers are responsible for transporting their teams to the assigned Field Camp site.

Overnight Facilities:

For some Field Camps, overnight/bed/board facilities may be provided (inclusive in the registration fee).

For some Field Camps, bag lunches will be required.
